

*Expanded and Revised Bioscience Directory Sponsored by . . . . .*

The American Institute of Biological Sciences  
**AIBS DIRECTORY OF BIOSCIENCE  
DEPARTMENTS AND FACULTIES IN THE  
UNITED STATES AND CANADA,  
Second Edition**

*Edited by*  
Peter Gray

Andrey Avinoff Professor of Biology  
University of Pittsburgh

Published by:

**Dowden, Hutchinson & Ross, Inc.**

Publishers Box 699, 523 Sarah Street, Stroudsburg, Pa. 18360

**The Book:**

This 688-page, hardcover directory contains an alphabetical and geographical listing of 1,188 degree-granting institutions, 2,367 bioscience departments, and 30,000 faculty members grouped by department and title; degrees and specialties offered.

**The Editor:**

Peter Gray, biologist and lexicographer, is editor of the *Student Dictionary of Biology* (1972), *Dictionary of Biological Sciences* (1967), *Encyclopedia of Biological Sciences* (2nd ed. 1970), *Handbook of Basic Microtechnique* (3rd Ed. 1964), and *Encyclopedia of Microscopy and Microtechnique* (1973).
