	<i>Page</i>
Behavioral, Social and Psychological Factors Affecting Mating Time and Breeding Efficiency in Sheep	
C. V. Hulet.....	5
Introduction to discussion by L. C. Ulberg.....	16
Role of Androgens in the Establishment and Regulation of Behavioral Sex Differences in Mammals	
Robert W. Goy.....	21
Introduction to discussion by M. T. Clegg.....	31
Visual Stimuli and Reproductive Behavior in Bulls	
E. B. Hale.....	36
Introduction to discussion by H. D. Hafs.....	44
Behavioral Aspects of Reproduction in Primates	
Harry F. Harlow, W. Danforth Joslyn, Monte G. Senko and Aileen Dopp..	49
Introduction to discussion by Ernst Knobil and R. W. Goy.....	65
Nutritional Effects on Hormone Production	
James H. Leatham.....	68
Introduction to discussion by L. E. Casida.....	78
Smell as an Exteroceptive Factor	
H. M. Bruce.....	83
Introduction to discussion by F. H. Bronson.....	87
Light and Other Environmental Factors Affecting Avian Reproduction	
Donald S. Farner and Brian K. Follett.....	90
Introduction to discussion by A. van Tienhoven.....	115
Regulation of Breeding Season and Estrous Cycles by Light and External Stimuli in Some Mammals	
C. Thibault, M. Courot, Lise Martinet, P. Mauleon, F. du Mesnil du Buisson, R. Ortavant, J. Pelletier and J. P. Signoret.....	119
Introduction to discussion by P. J. Dziuk.....	140
The King's Horses and the King's Men—A Project Site Visit	
R. O. Greep.....	143
