## TABLE OF CONTENTS

### APPLIED ANIMAL SCIENCE

- Evaluation of Clarifier Sludge as a Feed for Ruminants. *R. B. Fifield and R. J. Johnson . . .* 577

### BREEDING AND GENETICS

- Relationships of Milk Yield of Dam to Early Growth Rate of Straightbred and Crossbred Calves. *W. L. Reynolds, T. M. DeRouen and R. A. Bellows . . . . .* 584
- Phenotypic and Genetic Relationships between Calving Ease, Gestation Length, Birth Weight and Prewaning Growth. *P. J. Burfening, D. D. Kress, R. L. Friedrich and D. D. Vaniman . . . . .* 595

### MEAT SCIENCE AND MUSCLE BIOLOGY

- Carcass, Palatability and Retail Characteristics of Steers and Short Scrotum Bulls. *B. W. Berry, A. L. Joseph, S. B. Wagner, T. G. Jennings, J. K. Matsushima, J. S. Brinks, J. A. Carpenter, Jr. and P. T. Fagerlin. . . . .* 601
- Adipose Tissue Chemical Composition and Carcass Traits Related to Bovine Carcass Composition. *H. Dwight Loveday, Michael E. Dikeman, Melvin C. Hunt and Arthur D. Dayton . . . . .* 606
- Carcass Composition Changes in Growing and Finishing Swine. *T. R. Carr, L. E. Walters and J. V. Whiteman . . . . .* 615
- Effects of Weaning, Feeding Systems and Sex of Lamb on Lamb Carcass Characteristics and Palatability. *Randall L. Summers, James D. Kemp, D. G. Ely and J. D. Fox . . . . .* 622
- Blood Creatine Kinase as a Predictor of the Porcine Stress Syndrome. *P. T. Hwang, C. J. McGrath, P. B. Addis, W. E. Rempel, E. W. Thompson and A. Antonik . . . . .* 630

### NONRUMINANT NUTRITION

- Relationship between Yield and Composition of Sows' Milk and Weight Gains of Nursing Pigs. *A. J. Lewis, V. C. Speer and D. G. Haught. . . . .* 634
- Influence of Method of Corn Storage and Vitamin E and Selenium Supplementation on Pig Survival and Reproduction. *L. G. Young, R. B. Miller, D. M. Edmeades, A. Lun, G. C. Smith and G. J. King . . . . .* 639
- Responses of Weanling Meadow Voles to a Diet Containing Fermented Straw. *Y. W. Han, S. K. Smith and P. R. Cheeke. . . . .* 648
- Bioassay Determination of the Biotin Content of Corn, Barley, Sorghum and Wheat. *Pamela A. Anderson, D. H. Baker and S. P. Mistry . . . . .* 654

## PHYSIOLOGY AND ENDOCRINOLOGY

Effect of Anti-Egg Yolk Diluent Sera upon Bovine Spermatozoa in Egg Yolk Diluter. <i>M. L. O'Connor and R. G. Saacke</i> . . . . .	660
Early Changes in Serum Progesterone, Estradiol and LH during Prostaglandin F <sub>2α</sub> -Induced Luteolysis in Mares. <i>P. A. Noden, W. D. Oxender and H. D. Hafs</i> . . . . .	666
A Non-Surgical Technique for the Collection of Uterine Fluid from the Mare. <i>M. T. Zavy, Fuller W. Bazer and Dan C. Sharp</i> . . . . .	672
Frozen Storage and Transfer of Bovine Embryos. <i>A. O. Trounson, B. F. Shea, G. W. Ollis and M. E. Jacobson</i> . . . . .	677
Local Effect of Intrauterine Devices on Prostaglandin F <sub>2α</sub> in Uterine Venous Plasma of Gilts. <i>R. J. P. Magrini, G. S. Lewis and E. K. Inskoop</i> . . . . .	682

## RUMINANT NUTRITION

Effects of Dietary Lipid Supplementation on Adipose Tissue Metabolism in Lambs and Steers. <i>Y. T. Yang, R. L. Baldwin and W. N. Garrett</i> . . . . .	686
Chemical Composition of Esophageal-Fistula Forage Samples as Influenced by Drying Method and Salivary Leaching. <i>R. A. Acosta and M. M. Kotbmann</i> . . . . .	691
Total Digestible Nutrient Content of Consumed Forage and Total Digestible Nutrient Consumption by Yearling Beef Steers Grazing Nitrogen-Fertilized Bermudagrass and Orchardgrass-Ladino Clover Pastures. <i>L. A. Carver, K. M. Barth, J. B. McLaren, H. A. Fribourg, J. T. Connell and J. M. Bryan</i> . . . . .	699

## OTHER

### Symposium on Converted Pasture Crops in Beef Production

Forages in the United States, a Perspective. <i>W. K. Griffith</i> . . . . .	708
Preharvest Factors Influencing Quality of Conserved Forage. <i>P. J. Van Soest, D. R. Mertens and B. Deinum</i> . . . . .	712
Preservatives for Conserved Forage Crops. <i>J. W. Thomas</i> . . . . .	721
Conserved Pasture Crops for Finishing Beef Cattle. <i>D. A. Dinius</i> . . . . .	736
Proposed Hay Grading Standards Based on Laboratory Analyses for Evaluating Quality. <i>D. A. Robweder, R. F. Barnes and Neal Jorgensen</i> . . . . .	747
Northeast Section A.S.A.S. Distinguished Service Award, 1978 . . . . .	760
News and Notes . . . . .	761
Placement . . . . .	763
